Business Overview

Established in November 2006, Astwood Service Centre Ltd has experienced considerable growth since its foundation, with the strength of its workforce and service offering enabling it to become a highly regarded and profitable MOT, service and repair centre.

The business provides MOTs, repairs and servicing for domestic vehicles. It has experienced an increasing number of opportunities from commercial customers to offer fleet/lease work and expand business account customers.

This is an excellent bolt-on opportunity for complementary service providers to acquire a turnkey business with scope for further growth through a comprehensive marketing campaign and increased recruitment.

Location

Astwood Service Centre Ltd is located in the town of Redditch in the north-east of Worcestershire, England, approximately 15 miles south of Birmingham.

The business is ideally situated behind a prominent car dealership on a busy main road and benefits from a high levels of passing trade.
